To Whom It May Concern

My name is Michelle Hambly, I am a Canadian and Peter Ruhio is my ex-husband. I am intimately aware of the details of the investigation and I have personally assisted the authorities in Kenya. The organization started investigating Mr. Ruhio in 2017. The recordings that were posted on the Canadaland website were handed over to the appropriate authorities in Kenya.

The organization was able to help ensure that no harm was done to the organization or others. The organization also helped my children and I relocate to Canada at my request to ensure that we would be safe. Mr. Kielburger and the organization worked with the highest amount of integrity throughout this process.
